The History of Sexuality, Volume 1: An Introduction by Michel Foucault, is this major French thinker's last work, and since so many others have given a good sense of what the book is about, I will be brief. My only demur to their opinions is that while this may be his most popular book, it is not his best, or his most influential among scholars.

Question 1. Mention any two definitions of history. Answer: According to St. Augustine, "History is the story of the struggle between God and Satan, which would ultimately end in the victory of God (good) over Satan (evil). According to Karl Marx, "History is a story of the struggle between the haves and have nots".

1958 saw the introduction of an International Cup for F1 Manufacturers with points allocated on an 8, 6, 4, 3, 2, 1 basis to the first six cars in the race (i.e. unlike in the Drivers' Championship, there was no point for fastest lap). Furthermore, points were only awarded to the highest placed car of each make, i.e. if a make finished 1st and 2nd they would receive only eight points and the 3rd placed car would receive 4 points.

History of Formula One - Wikipedia

History (from Greek ἱστορία, historia, meaning "inquiry; knowledge acquired by investigation") is the study of the past. Events occurring before the invention of writing systems are considered prehistory.
