Awake in the Heartland: The Ecstasy of What Is - Stillness ...

So even the "Awake in the heartland" part may need an asterisk, because one is left wondering if she is really awake or not. Considering that she was a student of Gangaji who does seem to definitely be enlightened, it is dismaying to hear her explain it all so clearly over and over and then claim that she doesn't really have it, and even worse, there is nothing to have and no one to have it.

In Awake in the Heartland, Joan Tollifson describes a man whom she takes to be severely retarded but who turns out to be a former cardiologist, brain-damaged in a plane crash. "It was a clear revelation of how fragile and temporary our entire persona is. A little tap on the head, and you're somebody else."
