The Statue of Liberty is a monument symbolising the United States. The statue is placed on Ellis Island, near New York City Harbor. The statue commemorates the signing of the United States Declaration of Independence. It was given to the United States by the people of France in 1886, to represent the friendship between the two countries established during the American Revolution. It represents a woman wearing a stola, a crown and sandals, trampling a broken chain, and with a torch in her raised
